

QUALITY POLICY

At Edgerton Forge, Inc. we are committed to a spirit of caring for our customers, by providing, them with quality products the “First Time, On Time, Every Time”.

We will continuously improve each aspect of our organization by using new technology, and the combined abilities and efforts of our greatest natural resources, our people.

These initiatives will provide us with the profits that will ensure the ultimate success of our company and allow us to contribute to the economic and environmental well being of society at both the community and global levels.

*Key phrase to remember in red!
